Drum roll please... The Greek Theatre won the 28th Annual Pollstar award for Best Small Outdoor Venue. Way to go team!

WHAT EXACTLY IS POLLSTAR?

"Pollstar is the only trade publication covering the worldwide concert industry. They have been supplying in-depth information to every professional concert promoter, booking agent, artist manager, facility executive and every other entity involved in the live entertainment business for 30 years." The Annual Pollstar Awards honors the best of the best in the worldwide concert industry. The awards show is a live, unrehearsed, non-televvised event that is peer-voted from the international readership of Pollstar.

The Greek has been the recipient of this cherished award in previous years and the City of LA and SMG were excited to carry on the tradition! <<http://lagreektheatre.us15.list-manage2.com/track/click?u=f820b79b494b04a9e7d0fa0b0&id=16cd78b31a&e=bf168a5dbf>>

We are thrilled to announce Idina Menzel, who will be opening our 2017 season on April 14th! She is the familiar singing voice of Queen Elsa in Walt Disney Animation Studios' film Frozen. Menzel sang the Oscar and Grammy Award winning song "Let It Go." The song hit number 5 on the Billboard Hot 100 chart and now proudly wears the hat of the first Tony Award-winning actress to reach the top 10. She is a mother, actress, singer, songwriter and self identified feminist, saying "I love that I play all of these strong women. But they're not just strong— they're women who have a really deep vulnerability and need to go through a journey in order to harness their power."

Tickets for her concert are on-sale now and can be purchased at [www.lagreektheatre.com](http://www.lagreektheatre.com) <<http://www.lagreektheatre.com>> .

Dash Service Expanding!

DASH service is set to launch on March 21 and will operate everyday, 7 days a week during Observatory hours. DASH will operate late on Greek show nights to give concert goers another option for transportation from the Metro Red Line Station at Sunset/Vermont, to the venue that is low cost and convenient.
